**INTERNATIONAL CHARITY CONFERENCE**

**TOGETHER UNITED:  
SCIENTISTS AGAINST WAR**

**Date:** May 20, 2022

**Form of participation:** online (using the Zoom platform)

## ***Dear colleagues!***

In the context of the full-scale invasion of the Russian Federation into Ukraine, the entire Ukrainian society is united in its desire and efforts against the enemy, the support of the Armed Forces, and the people who suffered from the barbaric actions of the aggressor.

It is thanks to the joint efforts of the Ukrainian people and the help of our foreign partners and friends that we will win and preserve democratic values.

With this initiative, we call on the national and world scientific community to symbolically celebrate Science Day in Ukraine - to jointly discuss the current challenges of war and find ways to understand and peace in the third millennium, and financially support the Armed Forces of Ukraine and/or organizations and foundations military aggression.

Lesya Ukrainka Volyn National University

in cooperation with the NGO "Institute of Transborder Initiatives" and Rotary  
Satellite Club of Kyiv Volyn Pride

as part of the celebration of Science Day in Ukraine

invite you to participate in an international charity conference:

### **“TOGETHER UNITED: SCIENTISTS AGAINST WAR”**

**Its purpose** is to create a platform for the exchange of scholars' views on the problems of war and the involvement of the scientific community in a charity event to restore development and peace in Ukraine. One of the key tasks of the event is to raise funds to support the Armed Forces and victims of military aggression by the russian federation.

**The conference** is designed to unite scientists to find ways to solve the problem of war and restore peace in Ukraine.

Scholars from various academic disciplines and all those concerned about the consequences of military conflicts and the restoration of development and peace in the third millennium **are invited to participate** in the conference.

**The multidisciplinary nature** of the conference will ensure the integration of scholars from different fields of knowledge to discuss the current challenges of hostilities in Ukraine and ways to understand peace in the third millennium.
